FALL BREAK MISSION TRIP TO CHILE

This past Fall Break, members of the DBU Tennis Team traveled to Chile as a part of DBU's Global Sports Mission Initiative program, marking the 13th trip sponsored by the Athletic Department since the program began in 2007.

The team spent time at the Amazing Grace School in La Serena, Chile, leading in morning devotions, teaching English, sharing testimonies, and conducting tennis clinics. Jay Harley, Dean of Student Affairs and Spiritual Life at DBU, and his wife, Brittany, also trained local parents and Bible teachers on how to share Jesus with non-Christian friends and led two chapel services for the students of Amazing Grace School.

"The mission trip to Chile was a life-changing trip for me," reflected Brandon Elliott, a freshman from Midland, Texas. "I have never been on a mission trip before, and I did not know what to expect. Jesus took over in that school, and I gained about 400 more brothers and sisters in Christ in a matter of four or five days. My heart is forever changed."

In addition to their work at the school, the group visited other parts of the country, including the Elqui Valley, Rio Gabriela, and the capital, Santiago. At each stop, they had the opportunity to visit with local churches, experience the Chilean culture, and share the love of Christ.
