During the 2008 Fall Break, three separate groups of DBU students set off for mission trips. Developing servant leaders. Transforming lives.

DBU President Dr. Gary Cook spoke to dinner guests at the DBU Inaugural Missions Award Dinner on September 20, 2008. Throughout his address, Dr. Cook highlighted DBU's commitment to develop servant leaders and transform lives through Christ-centered higher education. He also shared his desire for the entire DBU family to continually seek opportunities to serve others.
