WELCOME RECEPTION

Dr. and Mrs. Gary Cook welcomed new DBU students at the President's Home during SWAT.

SWAT 2011

On August 17, DBU welcomed over 600 freshman and transfer students, which is the largest incoming class in DBU history. As a part of SWAT, students were able to meet their fellow classmates, familiarize themselves with the campus, and begin to learn the importance of servant leadership through various service projects across the DFW metroplex.
